

CLOUD SERVICES. DELIVERED WITH GERMAN EFFICIENCY.

**Need a cloud solution that scales endlessly
with your network and computing demands?**

WX-One delivers with german efficiency.

WE DELIVER WHAT THE GIANTS DO. JUST MORE EFFICIENTLY

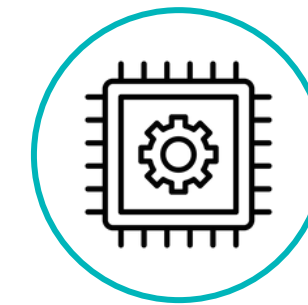

WX-One was founded in 2018 by Tobias and Suneetha Gurtzick.

Our Mission: Offer businesses a cloud solution that rivals the industry giants from the USA - while being 100% made in Germany

Unbeatable Price-Performance Ratio

Delivering exceptional value for businesses.

Independence

Fully independent of hardware vendors.

Highly Efficient Cloud Platform

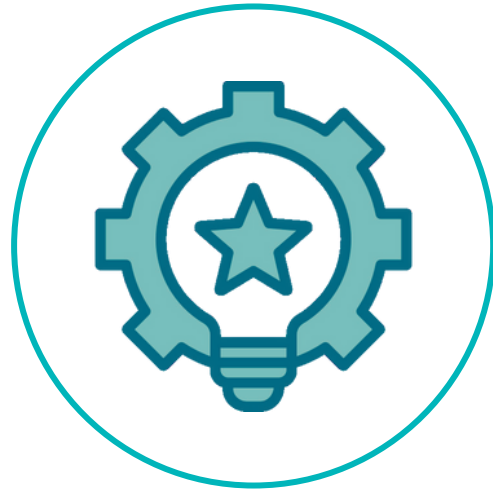

Powered by cutting-edge technology.

Unlimited Scalability

Seamless network and computing performance

WHAT'S BEHIND OUR EFFICIENCY?

Fully Asymmetrical Design

Eliminates the need for internal routers.
Benefit: No single point of failure.

Optimized for ultra-short data paths.

Result: Lightning-fast storage at unbeatable prices

Ultra-Low Latency

Powered by a groundbreaking network architecture.
Proprietary Storage Technology

Native Direct Server Return

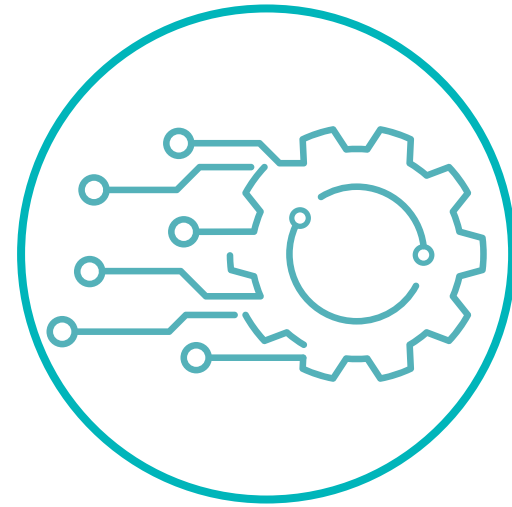

Built-in without bottlenecks.

HOW DOES YOUR BUSINESS BENEFIT FROM OUR EFFICIENCY?

Unbeatable Price

Our proprietary storage technology leverages ultra-short data paths within the network, enabling us to deliver blazing-fast storage at unmatched prices.

Tailored Solutions & Personalized Support

Only pay for what you need. Enjoy unlimited scalability in both network capacity and computing power - designed to grow with your business.

Cloud in Germany

WX-One is a testament to German engineering. Developed in Germany, operated independently of hardware vendors, and fully compliant with Germany's highest security standards.

OUR SERVICES

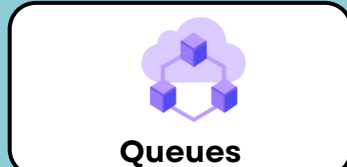

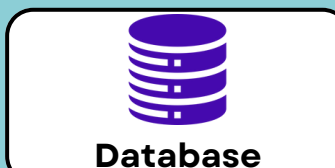

MANAGED SERVICES

...

SOFTWARE AS A SERVICE

PLATFORM AS A SERVICE

INFRASTRUCTURE AS A SERVICE

WX-ONE: THE SOLUTION TO YOUR CLOUD CHALLENGE

COMPUTE

Offers a **competitive SLAs** uptime of **99.99%** and **high performance by default**

OBJECT STORAGE

High Durability: Engineered for **resilience with 15 9's durability** by default exceeding AWS 11 9's

BLOCK STORAGE

High Durability: Engineered for **resilience with 4 9's durability** by default

Throughput Value: **Offers 5 GB/sec per volume and 10 GB/sec per machine**, exceeding AWS's 4 GB/sec and 12 GB/sec.

PRICE COMPARISON

SERVICE	COMPANY				QUANTITY
	WX-ONE	COMPETITOR ONE	COMPETITOR TWO	COMPETITOR THREE	
COMPUTE	€32.62	€72	€79	~ €70	2vCPUs, 8GB RAM, 80GB NVMe Storage
NETWORK	€0.006192*	€0.05	€0.0649	€0.06	per GB (>150TB traffic per month)
BLOCK STORAGE	€0.0613	€0.125	€0.12	€0.14	per GB
OBJECT STORAGE	€0.0185	€0.023	€0.020	€0.023	per GB
BACKUP STORAGE	€4.40	€27.30	€33.80	€16	per TB/Month

*Price tier available for traffic >20TB

ADVANTAGES OF WX-ONE

Includes data encryption, identity management, firewalls, and certifications

SECURITY

Speed and reliability of compute resources, including fast instance startup and network performance (low latency, high bandwidth).

EFFICIENCY

Ability to automatically scale resources up or down based on demand (auto-scaling).

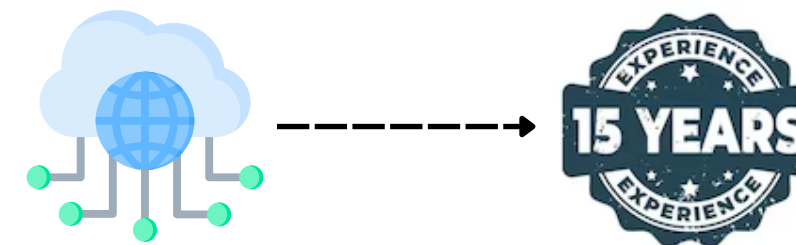

SCALABILITY

AWS offers the same features at **4-5 times more expensive price** than WX-ONE.

COST EFFICIENT

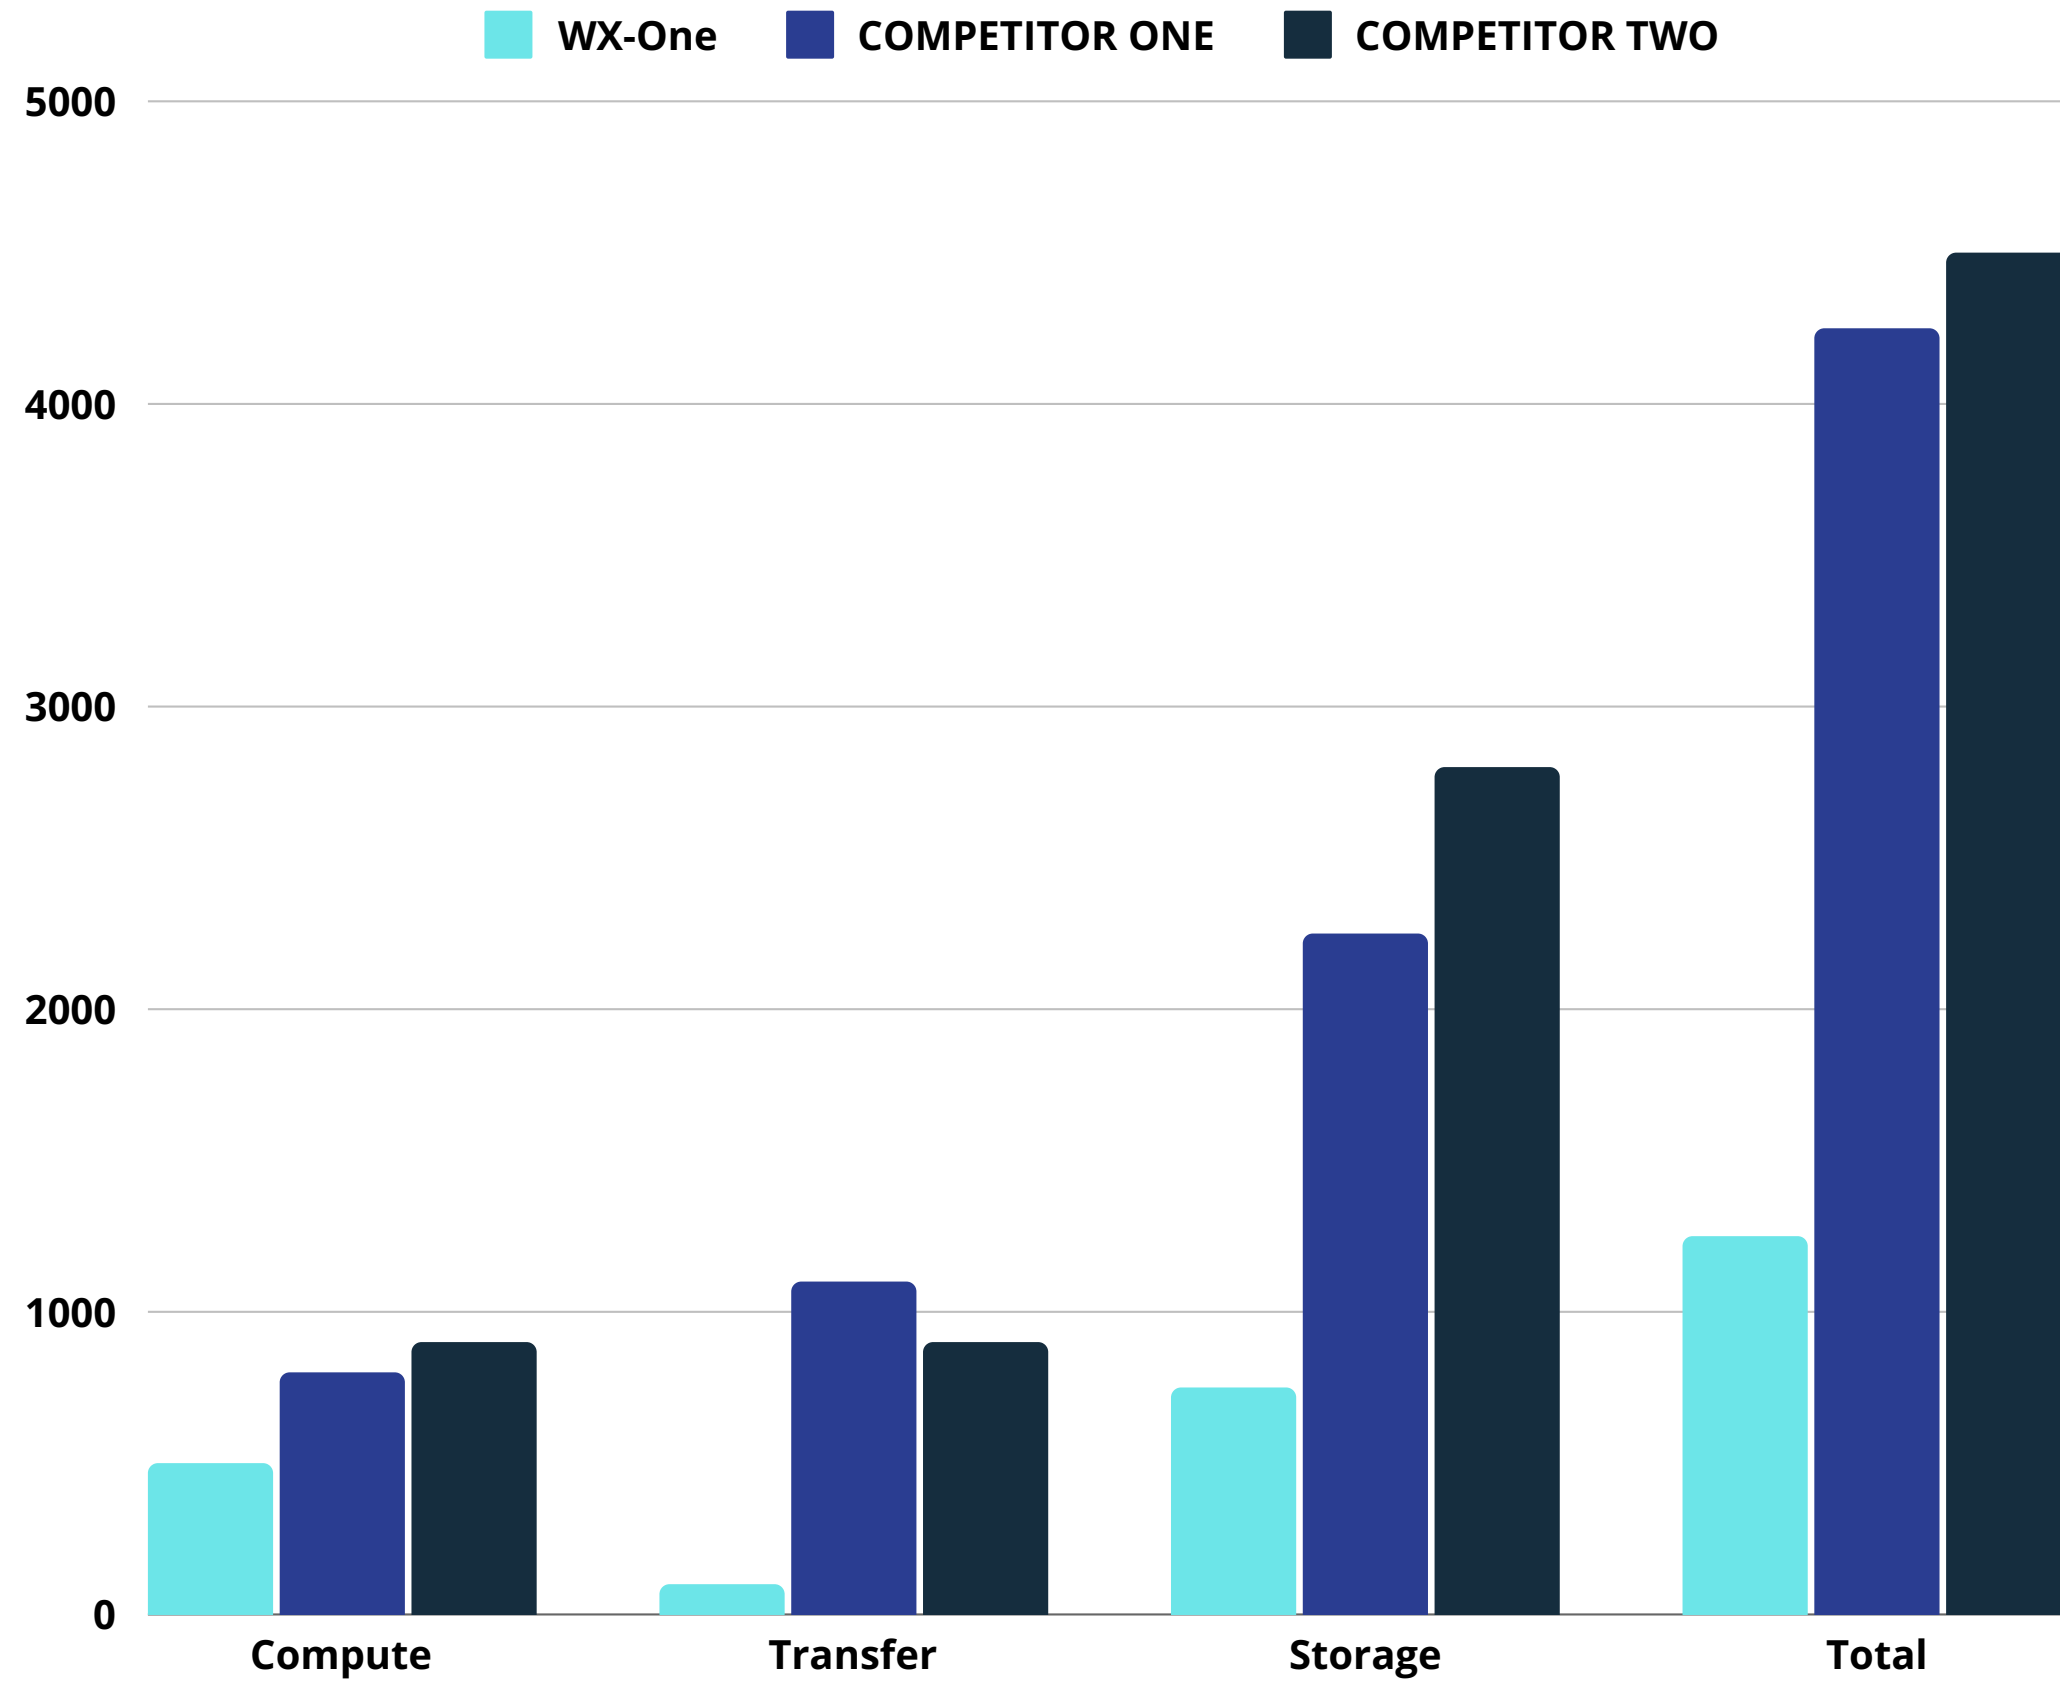

Focused on building a custom cloud infrastructure to a successful public cloud launches

EXPERIENCE

SECURITY FEATURES

ISO 27001: 2022 CERTIFIED

Meets the highest standard for information security management

27001
&
27002

CONFIDENTIAL COMPUTING

Utilizing cutting-edge technology, we enable secure, trusted, fully encrypted workloads

SECURE PARTNERSHIP

Deliver advanced encryption and secure computing solutions on our cloud platform

GDPR COMPLIANT

German-owned company, we uphold the strictest European data privacy standards, ensuring full compliance with GDPR to protect your data integrity

CUSTOMER TESTIMONIALS

Frederik Fröhlcke

**Teamleiter eBusiness
Löffelhardt GmbH &
Co. KG**

“The successful move of our Spryker platform to our own Kubernetes cluster was a big milestone for our team. A huge thank you to our partners at Adfinis and WX-One.”

Johannes Bostroem

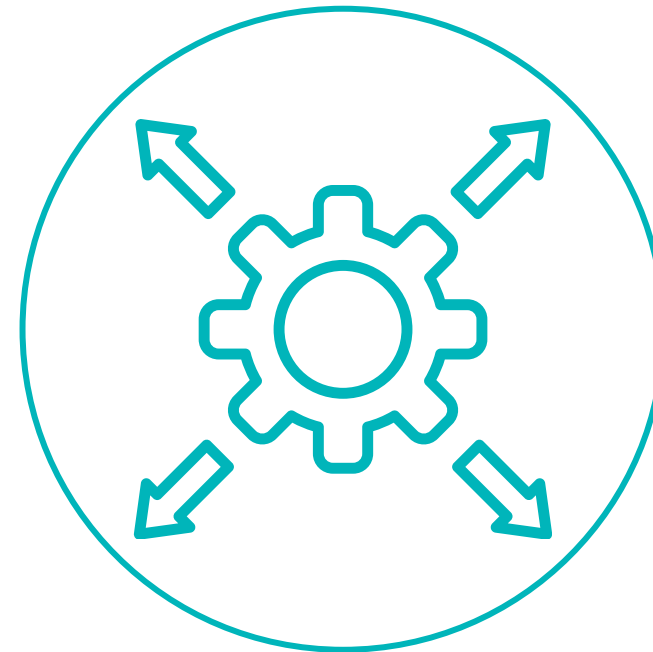

**Sales
Erik Sterck GmbH**

“The collaboration with WX-One has shown us once again how important strong partnerships are. Together with Emil Löffelhardt GmbH & Co. KG and WX-One, we have created an impressive solution that ensures the success of our customers. A real success story!”
