Attn: Sir/Madam,

Re: Private/Business Loan Offer.

I am contacting you explicitly of our interest in providing Loans & finance for your personal and business purpose; we can finance projects from a minimum of **1Million USD** to a maximum of **250Million USD**. We understand the devastating impact the current Coronavirus Lockdowns brought to global businesses and companies. We then decided to source for finance from some group of world Billionaires and Multinational Corporations to lend-out to individuals and companies to revive their businesses.

Credible projects or start-up business would be funded at a **2.36% Fixed Interest Rate per annum** with minimum documentation. Meanwhile, we are giving a grace of (5) Free Repayment Years to borrowers to start repaying the Loan. Once you receive the money from us as Loan, and after (5) years of Grace, you shall start repaying the Loan by making payment to our account by the end of every month, depending on how much you decide to borrow will determine the amount you are required to pay monthly after (5) years grace period. If you have advanced stage projects in need of funding or business clients in need of funds to expand existing projects, we would be obliged to work with you.

Let me know if you need our assistance or support; kindly reply with your Full name & contact number to reach you. If you don't need this assistance please discard & ignore this message.

Sincerely,

Mrs. Winfredar Shabalala.
